## FRONTEND DEVELOPER

**REACT | TYPESCRIPT | NEXT.JS**

I'm a Frontend Developer proficient in React, TypeScript, and Next.js, with a strong foundation in JavaScript, CSS, Tailwind, Sass and Styled components, dedicated to creating immersive and responsive user experiences. Over the past year, I successfully transitioned into web development and have been working as a freelancer, honing my skills through diverse projects. Committed to continuous learning in modern web development, I am eager to contribute my expertise in React, TypeScript, and Next.js to innovative and impactful projects. Seeking opportunities to further grow my career as a web developer.

## WORK EXPERIENCE

**Self employed - Swieqi, Malta**

18/06/2023

### Frontend Developer

As a freelance web developer with over a year of experience, I specialize in React.js, Next.js, TypeScript, and Tailwind CSS to create dynamic, responsive user interfaces. Starting with HTML, CSS, and JavaScript, I built a strong foundation in web development and now focus on delivering seamless, user-centered solutions. I'm passionate about crafting engaging web experiences and continuously advancing my skills in frontend development.

Increased client sales and helped them attract more customers by developing highly optimized, user-friendly websites tailored to their business needs, enhancing their online presence and engagement
